ABOUT ME:

I'm an undergraduate in Visualization at Texas A&M University, class of '28. I aim to pursue a career in pre-production within the animation industry; my ultimate goal is to use animation as a platform to spread the word of God.

EDUCATION:

- Bachelor of Science in Visualization @ Texas A&M University (August 2024 - Present)
- High School Graduate @ Texas Virtual Academy of Hallsville (August 2019 - June 2024)

WORK EXPERIENCE:

Production Assistant @ KAMU TV, College Station, TX
(December 2025 - Present)

- Operated studio & field cameras for live, multi-camera productions and Texas A&M events, coordinating with producers and directors to execute smooth, high-quality shoots.
- Edited PBS-standard promos and broadcast segments in Adobe Premiere Pro and managed media workflows.

Media Team Intern @ Stoney Creek Ranch, New Ulm, TX
(May 2026 - August 2026)

- Edit and produce weekly highlight videos summarizing each camp session for social media and promotional use.
- Collaborate with fellow interns and directors to plan shot lists, organize footage, and maintain consistent visuals.
